

**BRANSON/LAKES AREA TOURISM COMMUNITY ENHANCEMENT DISTRICT  
TOURISM TAX HISTORY  
FOR CALENDAR YEARS 2018 THROUGH 2023**

**NOTE:** This reflects *business sales month* (not TCED's receipt month). Also, revenue is *gross tax*, not TCED deposits.

**TCED has a 2-month lag between the sales month and the cash receipts month.**

The City of Branson only has a 1-month lag, since they collect taxes directly.

For example, taxes on September business sales are reported here in September, but TCED does not receive its share from the State until November.
