Applications Open for Branson CID Board Positions

(BRANSON, MO, May 20, 2025) The City of Branson is now accepting applications for board positions on three Community Improvement Districts (CIDs): the Branson Commerce Park CID, the Branson Hills Infrastructure Facilities CID, and the Branson Hills CID. These boards play a vital role in the development and revitalization of areas within the city. Applications will remain open until 4:30 p.m. on Tuesday, May 28, 2025.

Serving on a CID board offers a unique opportunity to be involved in the planning, oversight, and long-term vision of districts that support Branson's economy, infrastructure, and overall quality of life.

Board members work to help guide development, direct funding toward infrastructure and beautification projects, and support strategies that enhance economic vitality. Whether it's expanding access to utilities, improving roads, or attracting new business and investment, CID board members are instrumental in shaping the future of their districts.

To be eligible to serve on a CID Board, applicants must:

- Be a registered voter residing within the applicable district, or
- Be an owner of real property or of a business, or be a representative of a property owner within the district, and
- Be at least 18 years of age or 21 years of age for Branson Hills Infrastructure Facilities CID, and
- Have lived in Missouri for at least one year prior to appointment

Those interested can apply online by visiting bransonmo.gov or in person at the City Clerk's Office at Branson City Hall, located at 110 W. Maddux St. For more information about the application process or CIDs, contact the City Clerk's office at 417-337-8522.
