Fall Cleanup Important Information

All items including brush must be at the curb by 6 a.m. on pick-up day. Brush does not need to be bundled, tied, or bagged. Limbs must be cut and stacked at the curb in manageable 4-5' foot piles. No more than one dump truckload of limbs and brush will be hauled from any one residence. City crews will not accept mattresses or refrigerators: mattresses can be disposed by residents at the Taney County Transfer Station for a fee with the county. Crews will not backtrack and WILL NOT pick up any garbage normally collected by private refuse haulers.

What items will the City pick up?

City crews will pick up large, unwanted and difficult-to-manage items like BBQ grills and furniture that can't be picked up by residential trash haulers. For the pick-up of exceptionally heavy items such as sofas or large appliances, residents are asked to submit the information using the "[Report-An-Issue](#)" form on the city's website, at least 24 hours before their scheduled pick up day.

What items will the City not pick up?

City crews WILL NOT collect Refrigerators, Freezers, A/C units, mattresses, tires, electronics, batteries, bagged leaves or household hazardous waste products including paint, stain, or cleaning supplies.

These items can be disposed of at the following locations:

TIRES and MATRESSES: Taney County Transfer Station – 417-336-6589

BAGGED LEAVES: Hansen's Tree Service facilities in Reeds Spring and Ozark – 417-272-8733

ELECTRONICS: Hollister Recycling – 417-334-6244; Tantone Industries - 417-334-7447; Computer Recycling of Springfield - 417-866-2588.
