## **Lane Closure on Gretna Road**

(BRANSON, MO, October 14, 2025) Due to construction activities related to the Elevate Branson Project there will be a slight interruption to normal traffic flow in front of 325 Gretna Road on Wednesday, October 15th through Thursday, October 16th. All south bound traffic will be shifted to the center turning lane.

Motorists are encouraged to slow down, stay vigilant and watch for workers in the designated work zones alongside the roadway. Traffic control signage and cones will be in place to designate the work zone, and a marked detour will be utilized to direct traffic around the road closure. Please note that the project is weather-dependent and may be subject to delay.

For questions regarding this project, please contact the City of Branson Public Works/Engineering Department at 417-337-8559.
