Eiserman Park to Receive New Playground Improvements

(BRANSON, MO, February 23, 2026) The Branson Parks and Recreation Department is excited to announce upcoming upgrades to Eiserman Park, located adjacent to the Branson Community Center at 201 Compton Drive. This local neighborhood park will soon feature a brand-new playground, complete with an ADA-accessible ramp for slide access, climbing features, and hand bars, all adding a fresh and exciting element for children and families in the community.

The playground area of the park will be closed for approximately three weeks beginning Monday, February 23 for the installation. All other amenities of the park will be available during this time.

Eiserman Park, a favorite gathering spot in the community, currently offers a range of amenities, including a covered pavilion with picnic tables, three pickleball courts, a 9-hole disc golf course, and a paved walking trail totaling .25 miles with benches. Please contact the Branson RecPlex for additional information at 417-335-2368 or visit our website at <https://bransonmo.gov/959/Parks-Recreation>.
