### **Which Ward do I belong?**

To find out in which Ward you live, go to the "[GIS & Image Maps](#)" section of the City's website, [BransonMo.gov](http://BransonMo.gov) to see the current Ward Map.

### **Spring Cleanup Important Information**

All items must be at the curb by 6 a.m. on pick-up day. Crews will not backtrack and can NOT pick up any garbage normally collected by private refuse haulers.

The City can NOT collect refrigerators, freezers, A/C units, mattresses, tires, electronics, batteries, bagged leaves/lawn clippings or household hazardous waste products including paint, stain, or cleaning supplies.

### **What items will the City pick up?**

City crews will pick up large, unwanted and difficult-to-manage items like brush, BBQ grills and furniture that can't be picked up by residential trash haulers.

Brush does not need to be bundled, tied, or bagged. Limbs should be cut and stacked at the curb in manageable 4-5' foot piles. No more than one dump truckload of limbs and brush will be hauled from any one residence.

For the pick-up of exceptionally heavy items such as sofas or large appliances and brush, residents are asked to call Public Works/Engineering, 417-337-8559 Ext: 1305, at least 24 hours before their scheduled pick-up day.

### **These items can be disposed of at the following locations:**

TIRES and MATTRESSES: Taney County Transfer Station – 417-336-6589

BAGGED LEAVES: Hansen's Tree Service facilities in Reeds Spring and Ozark – 417-272-8733
